Software Orders During COVID-19 Interruptions

In response to COVID-19, non-essential PennDOT personnel are required to work from home. As a result, we do not have access to Software Orders sent via USPS or private parcel carriers. Until further notice, Software Orders can be submitted by e-mailing the appropriate [Order Form](#) and/or [Update Form](#) with a scanned copy of the check to PenndotBisEngineer@pa.gov. The forms and payment should then be shipped as before. The payments will be processed when we are able to return to the office. Thank you for your patience.
