PENNDOT's Engineering Computing Support

Mr. Hasmukh M. Lathia, P.E., of our Engineering Unit will be retiring on June 25, 2004 after serving the engineering community for over 35 years. As you may know, Hasmukh has been instrumental in developing most of PENNDOT's engineering software. He joined PENNDOT in 1969 and has devoted his entire career in development and support of engineering software.

Effective June 28, 2004 John A. Breon, P.E., will be acting as Chief of the Engineering Unit until the Permanent Position is filled. Any questions, comments, concerns, inquiries or requests pertaining to engineering software licensed and supported by the Bureau of Information Systems should be directed to John at the following:
