Retirement Announcement

After 35 years of service with PennDOT and 30 years supporting the Department's Engineering Software, I am happy to announce my retirement on April 22, 2022.

It's been a privilege working with and supporting the Bridge Design Community for all these years. I appreciate the opportunities to meet and interact with so many dedicated and knowledgeable Engineers.

Our staff is committed to continuing the level of support that we have always provided. Please be sure use our shared support e-mail address, PenndotBisEngineer@pa.gov, for any future software support needs.

All the best,

Robert F. Yashinsky, P.E.
